

Melon Salad with Honey, Lime and Mint

DIRECTIONS

Harvest: cantaloupe, honeydew melon, seedless watermelon, lime, mint

Prep Time: 10 minutes

Servings: 10 servings

Ingredients:

- Large cantaloupe
- large honeydew melon
- large personal size seedless watermelon
- 2 tablespoons honey
- 4 tablespoons lime juice
- fresh mint

Instructions:

1. Use a melon baller to scoop round spheres out of each melon and place them into a large bowl.
2. In a small bowl, combine honey with lime juice. Whisk to combine and pour over the melon salad. Gently toss together before serving with torn fresh mint leaves.

**If making in advance; chill melon then toss with honey lime syrup and garnish with fresh mint right before serving.*
